XML Option: IAIABC Claims Release 3 Standards utilizing ACORD XML Standards Request for Trading Partner Feedback

Date: 1/19/16

LWC is expanding their reporting options for LWC Trading Partners and will now accept the IAIABC Claims Release 3 First Reports electronically utilizing ACORD XML Standards. LWC announced plans to implement these XML standards at the 2015 IAIABC Forum on April 14, 2015. *Please note that the use of the XML format is only an option and is not required by Trading Partners who prefer to continue to use the current IAIABC Release 3 Flat File.*

Please contact LWC by responding to this email to lwcedi@lwc.la.gov if you are a LWC Trading Partner interested in testing and subsequently reporting First Report of Injury to LWC utilizing these IAIABC and ACORD XML standards. LWC will provide additional information to interested Trading Partners concerning the IAIABC and ACORD XML Standards and LWC next steps, testing plan and schedules.
