

Date: 03/08/2013

LWC EDI Training for Electronic Reporting of First Report of Injury (FROI) will be held on March 27, 2013 via WebEx from 2:00-3:30 PM EST.

The Louisiana Workforce Commission (LWC) will begin testing electronic reporting of workers' compensation First Reports of Injury (FROI) on *May 1, 2013* based on standards set by the International Association of Industrial Accident Boards and Commissions (IAIABC). Beginning *Jan. 1, 2014*, the reporting of First Report of Injury (FROI) forms electronically will become mandatory.

LWC will host a Trading Partner Training session on March 27, 2013 via WebEx from 2:00 - 3:30 PM EST. Please refer to the Webinar information below and attached agenda.
