

Louisiana Workforce Commission (LWC) Announcement

LWC EDI Claims R3.1 Implementation for FROI Only Effective May 22, 2023

Date: 05/23/2022

The Louisiana Workforce Commission (LWC) announces its upcoming transition from IAIABC EDI Claims R3.0 for FROI only to EDI Claims R3.1 for FROI Only effective May 22, 2023.

We expect this conversion to allow more accurate reporting and overcome issues related to the limitations of R3.0, as well as allow the LWC to utilize significant enhancements made by the IAIABC in the new release.

The EDI Claims Release 3.1 Version 1.0 Requirements (Revision Date: 05/19/2022, Effective Date: 05/22/2023) are posted on the Requirements page: <https://lwcedi.info/requirements>. The Implementation Guide is posted on the Implementation Guide page: <https://lwcedi.info/guide>.

Highlight of Major Changes:

1. Acceptance of detailed 02 Change codes.
2. For Insureds, Policy Number, Effective Date, and Expiration Date will be conditionally required on Initiating FROIs (00, 04, AU) in order to facilitate editing Classification Codes.
3. NCCI Manual Classification codes will be required for Self-Insureds as well as Insureds. Free assistance is available to Self-Insureds by calling NCCI at 800-622-4123 and pressing #5 for Class Codes lookup. NCCI also has free Classification Codes videos at <https://www.ncci.com/LearningCenter/Pages/LearningCenter.aspx?webinarseries=Classification>.

Ongoing updates will be made available on our website at <https://lwcedi.info/>.
