**Date:** 06/24/2020

Any discrepancies between the new and existing Trading Partner Profiles (excluding contact information) will be communicated back to the preparer.

**All Trading Partners are asked to complete the New Trading Partner Profile submission into the new system by October 19, 2020.**

Before any updates can be made to Trading Partner Profile, you must first complete the New Trading Partner Profile submission using the new system. Please review the Registration Instructions for additional information on how to create the Trading Partner Profile using this new Trading Partner Profile Registration System.
